## **DECORATING SERVICE DECLARATION**

We provide a free decorating service for those who:

- a) Are unable to decorate due to age or disability
- b) Have no one else to do it for them
- c) Do not have the means to pay a private company

We also need your permission to take before and after photographs to evidence our work.

As you can imagine, the service is very popular, and we encourage everyone to consider carefully if they meet the above criteria. Only you as our beneficiary can make this judgement call. This is why we ask you to sign the below declaration and return it back to the office (by post, email or by hand). Once we have received your signed declaration, we will contact you to arrange dates for the agreed decorating work to take place. Due to the high demand, we can only spend about 2-3 days on each task, which means that we are unlikely to be able to decorate more than one room. You can always contact us the following year to have another room decorated then. A typical decorating task cost to the charity (including staff, van, and parking) is £416.79 and while we make no charge for the service, beneficiaries often decide to donate towards the costs of the service, which is greatly appreciated. In any case, we would expect you to cover the costs of materials and contribute a small £5 charge for sundry items. If you cannot afford those, we could support you with an application for a grant from a local charity. Also, if you do have a parking permit, please let us know as this allows us to keep our costs down. At least 10 working days' notice are required if you want to cancel our decorating visit.

Please do not hesitate to contact us with any feedback and/or questions. If you have appreciated our visit, please tell your friends about Fulham Good Neighbours. Please remember that we can give neighbourly help at any time of the year: befriending, gardening, escorting, transport, small DIY, errands, emergency shopping and much more including a range of social clubs.
