## November 2017

### Our Annual Report 2016/2017

was presented at the AGM on Tuesday, 31st October 2017 as this newsletter was going to press. We will have some further feedback from the AGM in the December edition but in the meantime wanted to share with you some highlights from the annual report 2016/2017:

- We celebrated our 50th Anniversary last year and continued to grow by creating a range of social clubs to help beat isolation and loneliness (Fulham Carers, Fulham Lunch Club, Art Group and Shared Reading Group) increasing the number of people benefiting from our work by almost 25% in comparison to 2015/2016;
- We were crowned the Best Charity in Hammersmith and Fulham and were shortlisted for the Lord Mayor's Dragon Award. In addition, Clive Domm, one of our longstanding volunteers, was awarded the Team London Long Service Award.
- 100% of those who took part in a satisfaction survey would recommend us to someone else, were satisfied with how our volunteers helped them and with how their request was handled by our office.

## Silver Sunday Celebrations

We had a fantastic time with the Brick Lane Music Hall on Sunday, 1st October 2017 and the following Friday at Kensington Palace. The latter provided our beneficiaries with tickets at a discounted rate and made it possible for our transport to park very

close to the palace. This year's celebrations were generously supported by the Hammersmith and Fulham Council.

## Fulham Men's Shed

We had 6 shedders turning up to our information evening in September. They are eager to get going but need more interested people to come forward. Please join us at the next meeting on Tuesday, 7th November 2017 at 6PM here at Rosaline Hall.

## I'm a Fulham Good Neighbour

Several local businesses have already signed up to our initiative and agreed to signpost vulnerable older people in need of support to Fulham Good Neighbours. We need more to come forward so please ask your local corner shop to sign up too.

## Yearly Surveys

We send out an annual survey to all our beneficiaries throughout the year. If you have received one, please kindly fill it in and return it to us so that we can improve our services in line with your wishes.

## Cleaner

We are looking for a cleaner who could clean Rosaline Hall on Friday afternoons, for 2 hours. Please get in touch if you are interested in this post or know someone who is.

## We need your email address

If you are reading a paper copy of this newsletter, this means that we haven't got your email address. It would help us communicate more quickly and cheaply with you if you decided to share your email address with us. Please do so now.

## Our Impact

Stephen has been busy decorating, Ruth running our social clubs, Ricky, Cathy and volunteers from Assael have been out gardening. There was also plenty of hard work done by Diana, Jac and most of all by our volunteers—thank you all!

## Volunteers Corner

Thank you to all who volunteered last month but we need more support. Help is **BADLY** needed to:

- distribute our newsletter on a monthly basis to residents of local sheltered housing schemes and to GP surgeries.
- in the office with some admin/office tasks during the week.
- support older/disabled people as DIY and/or transport volunteers

We are looking for someone with **financial/investment background** who could join the Investment Committee and share their expertise for 30min every couple of months. Is this you?

Please get in touch if you could help.

**Christmas Drinks** for all our volunteers, trustees and staff are planned for Friday, 15th December 2017 between 5PM and 7PM. We hope that you will be able to join us.

**New Database** (and Website) is being planned. This will allow us to match requests with volunteers in a more efficient way. You will be required to operate an online account with FGNS that will let you update your availability and feedback on any tasks that you are doing. We anticipate a few teething problems, like with any new systems, so once we do roll it out, please bear with us and pass on any feedback so that we can improve.

## Our FREE Services for local older and/or disabled residents who

- Are unable to do the below task
- Don't have anyone to do it for them
- Don't have the means to pay for it privately

- **Good Neighbour Scheme**—practical help at home such as basic DIY, medication collection, escorting to appointments, wheelchair pushing, accompanying shopping or taking care of pets.

- **Gardening** clearances done by our gardener, and **Adopt a Garden Scheme** where volunteers look after a garden close to them on a regular basis.

- **Decorating**

In addition we offer:

**Befriending**

**Social Clubs** (see back page for a full list)

**Connections 4th Generation** a dedicated project supporting over 85 year olds who have recently been discharged from the Charing Crossing Hospital.

We are always looking for those who might need our help. If you know someone who could benefit from our services, please ask them to contact us.
