## Turn2us

helps people in financial need gain access to welfare benefits, charitable grants and other financial help – online, by phone and face to face through our partner organisations. Anyone can be a missed pay-cheque, illness or bereavement away from a real financial crisis, which is why we can help you find the support you need to get back on track.

The Benefits Calculator takes less than 10 minutes to complete and it will tell you which means-tested benefits you may be entitled to, including tax credits. The Grants Search can help you look for funds that might be able to give you a grant or other types of help. We also award our own grants from the Turn2us Elizabeth Finn Fund, the Turn2us Response Fund, and the Turn2us Edinburgh Trust. Support is available through our helpline 0808 802 2000.

We have been supporting people who are struggling with money in the UK since 1897.
