While the work is taking place, staff and clubs will be moving to:

There will be some changes to club dates and times (see right) and all services will aim to run as usual.

Our Refurbishment

The refurbishment of the Rosaline Hall, will expand the size of the current kitchen. An oven and freezer will now be included as part of our facilities and there will be space for volunteers and staff to move comfortably around.

The premises will also feature additional storage upstairs for all the equipment we need to run our clubs and facilitate the services we run. There will be built in cupboards downstairs to provide more stable shelving and storage. The addition of soundproofing will allow us to hold workshops and meetings without disruption, ensuring a comfortable and productive environment for all.

We are excited for the future and grateful for the continued support from our volunteers, donors, and the community that makes these improvements possible..
