Parsons Green Fair - Thank you for a wonderful Day!

A huge thank you to everyone who joined us on Saturday 5th July for this year's Parsons Green Fair! It was a fantastic day packed with live music, family fun, artisan stalls, children's activities, delicious food, and an incredible sense of community, all right in the heart of Fulham. We're thrilled to share that, thanks to your amazing support, we raised £20,000 at the fair! These funds will go directly toward helping us continue to provide essential practical and wellbeing support to people across the Fulham community.

Thank you to everyone who volunteered on the day, stopped by to chat, support, and share in the day with us. We're especially grateful to MP Ben Coleman and H&F Mayor, Councillor Sharon Holder, for attending the fair and showing their continued support for our local community. Your energy and enthusiasm helped make the day such a success!

With thanks,
The Fulham Good Neighbours Team

A Wrap On Our 'Switch on Fulham' Digital Workshop Series!

Also lovingly known as our Techy Tea Parties, this initiative brought free, hands-on digital skills support right into the heart of Fulham, ensuring no one is left behind in today's digital world. Whether due to affordability, lack of confidence, or limited access to support, getting online can be a real challenge for many.

And when essential services like GP appointments, banking, and bills go digital, being offline isn't just inconvenient, it can lead to real social and economic isolation. That's why this project was so important. Each session buzzed with curiosity, conversation, and connection. Questions were asked, guidance was given, and participants left feeling more empowered, and often with a smile. We will be continuing with hosting similar workshops in the near future so stay tuned!

We're incredibly grateful to everyone who made this campaign possible. A huge thank you to:

- H&F Council for promoting the campaign, and to Mayor of H&F, Cllr. Sharon Holder, for meeting attendees, sharing stories, and shining a light on our work at Clem Attlee Community
- Sands End Arts & Community Centre for generously offering their space to host one of our workshops
- H&F Giving whose 'Digital Support Fund' grant made this initiative possible
- Elsevier for their incredible volunteers who offered kind, skilled one-to-one support
- Good Things Foundation for providing the laptops that were used in every single session.

If you need help with your laptop, phone or device:

- Drop-in at our Digital Support Club on Monday at 11:00am at Rosaline Hall
- Contact us to have a volunteer offer 1:1 digital support via home visit
