£5,278 to go!! - we are excited to announce the final push for our solar panel crowd fundraiser. The project will reduce our carbon footprint (1 tonne CO2e pa) and generate energy (3,942 kwh pa). If we can raise £5,278 in 20 days, LBHF will potentially donate the remaining funds. Please consider donating by cheque, cash, phone or

LET'S ALL KEEP SAFE

We ask all visitors to Rosaline Hall to continue to wear a face mask, to sanitise hands regularly and to socially distance.

Did you know..?

10 million adults in the UK cannot connect to internet or use a computer in any way. It's not uncommon and it's not too late - please be in touch should you be interested in learning something new in 2022.

We can provide equipment loan, internet, and support in your home, and can start from as simple as turning a computer on. If you ever wondered how to get started with computers now is your chance.

Adopt a Garden

For the latest workshops offered from our partners *Nubian Life* click [here](#). In partnership with Nubian Life and Imperial College London, we are excited to announce that we will be delivering an external evaluation of the project in 2022.

Ride London 2022

If you, family, friends or colleagues are interested in raising funds for FGN in this way, please be in touch! An FGN Christmas

Generous supporters, Research Partnership, provided Christmas packages for some of our members as well as a £2,500 donation to our work in 2022! Pupils from Bute House and Fulham Boys School hand made and wrote Christmas messages for our neighbours too. Feedback from the community included:

Having just moved to Rosaline Road, my family and I are delighted to know that the team truly practice what they preach

And *I love the work you do for us in Fulham it's truly a lifeline and I can not thank you enough for continuing to keep open for us.*

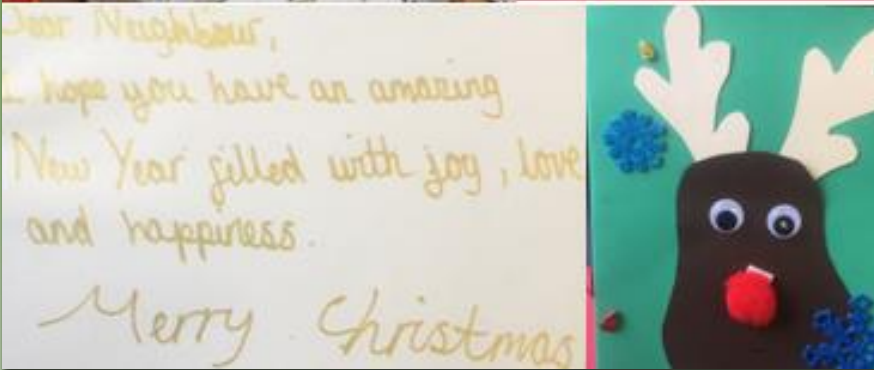

Coronavirus

Sadly, the virus rates in the Borough are again considerably above the (very high)

national average. The large part of these cases are of under 59's (graph above), however the virus is spreading in all age groups. The Borough's rate of infection was over twice as high as the national average in the last week. We continue to see much lower uptake of the vaccine in the Borough too - 62% of over 12s have had a first vaccine versus a national level of over 90%.

We ask for continued patience as we review our activity on a daily basis, according to government guidance and the advice of the local Public Health team. As such, activity may be cancelled at short notice, or may be adjusted to account for latest advice so to keep us all safe. We look forward to having a thriving Rosaline Hall once again, but remain cautious to ensure activity is always C19 secure.
