## Techy Tea Party!

We were thrilled to host the third of four **Techy Tea Party workshops** at **Clem Attlee Community Hall**, part of our **Switch On Fulham** series – an initiative designed to reach more older residents and those with disabilities through friendly, one-to-one digital support. We were especially honoured to welcome **Mayor of H&F, Cllr. Sharon Holder**, who took time to chat with attendees, share stories, and shine a light on the work we do. We're proud to be one of the three local organisations she's chosen to champion during her term.

This wouldn't have been possible without the Digital Support Grant from **H&F Giving** through the Digital Support Grant, **Good Things Foundation** through their laptops, and **Elsevier** via the facilitating volunteers to support the workshop.

**Missed this one?** Here are the details for the last workshop of this series:

**Where?** Rosaline Hall, 70 Rosaline Rd, SW6 7QT

**When?** Monday, 14<sup>th</sup> July 2025

- ✓ Staying safe online

No need to book—just drop in! Whether you need help with the basics or just have a quick question, we'd love to see you.
