

#### Solar Panel Launch

We celebrated the installation of our solar panels on the 27th September. The panels were funded by our community here, as well as the GLA, LBHF, Travis Perkins and others. Special thanks to a very generous donation too from our supporter David Nicholson.

We were projected to save £500 annually on our energy bills, but may well beat that having already seen our usage fall by 60% on last year! Thank you to our partners Sustainquality, Power For People, and H&F Climate Change Department for delivering fantastic presentations.

Drop in for some tea and cakes, and a friendly volunteer/staff member will help and support you with any questions. If you haven't used a computer before, this a great way to start - you can make use of ours laptops.

### **Upcoming FGN Film!**

We are very excited to announce that our FGN film will be released soon, brought to you by Media Trust who have very kindly donated their time and effort to help Fulham Good Neighbours spread the word about the work we do in the community. A huge thank you to Director, Callum Lloyd-James, Fleur Nieddu and all at Media Trust.

Swee, Anette, Jean, Tom, Barbara, Yvonne, Bob and Grace all volunteered their

acting skills with fine cameos too.

Miracles, IKEA & Livat to give residents a chance to win prizes and learn the skills needed to get started with upcycling furniture affordably.

Upcycling is a great way to save money and help reduce the amount of waste that ends up in landfill!

You can read more about how to get involved at:

participate.libraryofthings.co.uk/rubbishidea

Opportunities include learning upcycling skills and handy DIY tips at free skillshare events. H&F residents are invited to reserve a spot at free upcycling sessions at:

- · IKEA Hammersmith, 27th September
- · Livat Hammersmith, 14th October

#### Potatoes!

Thanks to Victoria and Kathy from our Adopt a Garden project for sharing this fantastic photo of Kathy harvesting the potatoes that they planted earlier in the year. The potatoes had originally sprouted by chance in the compost bin. The awardwinning Adopt a Garden project matches volunteers with a neighbours who can no longer tend to their garden, volunteer now!

# Good to Know Telephone Groups

Independent Age are offering free telephone information groups that are open to people above the age of 65.

Their 'Good to Know telephone groups' invite a different guest speaker each week to discuss issues that matter to older people. Topics include scams, the cost-of-living crisis, social care, benefits and finding new social connections - things that are simply 'Good To Know' about.

You can view their website <u>here</u> to read about upcoming events - https://www.independentage.org/get-support/telephone-groups/good-to-know-groups.
