STAYING SAFE ONLINE

Get Online Week is an annual digital inclusion campaign run by the Good Things Foundation, to support people to access the internet. This year, we are addressing safety online, which is a barrier to many elderly people using the internet. Here are a few tips about using the internet safely:

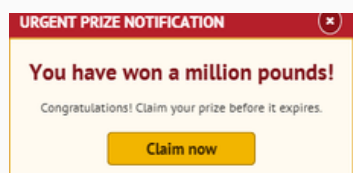

WEBSITES:

Is there a **padlock sign** at the top of the screen?

Does the website address start with **https**?
This means the connection is secure!

Does the website have
strange small windows
or pop-ups?

Make sure you don't select these, they may download something harmful on to your device!

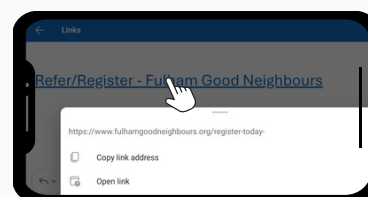

LINKS:

Links are texts or images that take you to other websites. Occasionally, they may not be what they say they are.

On a laptop or PC, move the cursor over the link without clicking it. If the full link doesn't look the same as the original link, don't click it!

On a touch screen device, long tap by pressing your finger on the link for a few seconds. If the link doesn't look the same as the original, don't click it!

If you would like to learn more about safety online, you are welcome to attend our **Digital Drop-in** session every **Wednesday from 10:30am to 12pm**. If you struggle to leave your home, we can alternatively arrange a digital support home visit.

Christmas Tea Party at the Hurlingham Club

Join us for a festive afternoon tea on Monday 7 December, 2 - 4pm at The Hurlingham Club. Priority will be given to beneficiaries who have not visited before. Travel arrangements to follow.

I understand that I must pay an amount of income Tax and/or Capital Gains Tax in the tax year, at least equal to the amount of tax that all the charities and CASCs I donate to, will reclaim on my gifts for that tax year. I understand that other taxes such as VAT and Council Tax do not qualify and the charity will reclaim 25p of tax on every £1 that I have given.
